# AL SAMEER ENGINEERING LLC

**OFFERING A FULL RANGE OF TOOL & DIE SERVICES  
CNC LASER CUTTING SOLUTIONS**

## **Precision Sheet Metal Fabrication**

Die Makers Manufacturing Corp. has an experienced and talented team of designers, toolmakers, and machinists, using high-tech machine tools and equipment to contribute to the success of our customers. We provide a full range of services including stamping die design, building, and die tryout on our in-house presses. Among our support services are dying maintenance and repair, wire EDM, and CNC machining, as well as general machining. From design to completion, all work is performed under our comprehensive quality system assuring on-time delivery of high-quality dies, tooling, and production parts.

## **Die Makers Manufacturing Offers You:**

State-of-the-art machines and equipment for maximum efficiency.  
A highly skilled team of designers, tool and die makers, and machine operators.  
Competitive prices, excellent delivery. Short lead times are not a problem.
